

Weekly Project Status Report

Professional Cybersecurity Certificate

Generated: Sunday, October 12, 2025 at 09:42 PM

Basic Information

Reporting Period:	Week 8: October 5-11, 2025
Project Name:	Professional Cybersecurity Certificate
Project Goal:	The goal of my project is to obtain at least 1 interview from an entry-level IT/cybersecurity job application by the end of this semester through showcasing a professional cybersecurity portfolio that highlights certifications, hands-on labs, LinkedIn Learning, and a capstone course project.
Project Manager:	Elaine Li

Project Health

ON TRACK

Executive Summary: The project is progressing on schedule for the capstone course project and the Google Cybersecurity Professional Certificate. Key progress includes completing Course 2 modules and completing tasks required for capstone course project. The next plans focus on continuing to work on completing Courses 3-9 for the certification and identifying critical business functions.

Accomplishments This Week

- ✓ Completed Course 2 – Play It Safe: Manage Security Risks
- ✓ Started modules for Course 3 – Connect and Protect: Networks and Network Security
- ✓ Completed tasks for capstone course project

Plan for Next Week

- Continue working on Courses 3-9

2. → Document a mitigation plan

3. → Identify critical business functions
